

685/US/NE elmetto

design elio martinelli, 1976

The Elmetto Table Lamp was designed by Elio Martinelli in 1976. The design of this table lamp focuses on the functionality of the use with a large switch in the central body, easy to find in the dark and an adjustable reflector simple to move by the touch of a finger and it allows to shield the light source.

The lamp consists of a conical base and an adjustable dome-shaped diffuser.

Molded resin structure is available in the following standard colors: **white, black, orange, green, yellow, blue** and **golden**.

In celebration of its 40th anniversary Martinelli introduced the **Ruby red** edition of the ELMETTO.
