

620/MED/DIM/US/VE PIPISTRELLO-MED

design gae aulenti, 2017

The feather in the cap of Martinelli Luce is the new proposed PIPISTRELLO medium table lamp which was reproduced in 2017. Emiliana Martinelli wanted to propose a new version of the Pipistrello having a diameter of 40 cm and a height that extended from 50 to 62 cm. This is a continuation of the tribute to Gae Aulenti and also a way of demonstrating how the design input behind this lamp is being constantly renewed without altering its authenticity.

The Pipistrello Medium is provided with a telescopic system in stainless steel with adjustable height between 50 to 62cm. A white opal ribbed methacrylate diffuser is secured to the telescopic step with a decorative knob that matched the finish of the base providing diffused and direct illumination to your desk and surfaces thus making the Pipistrello functional as well as a beautiful piece of art. The aluminum base and decorative knob are offered in the following glossy painted colors: **dark brown /MA, white /BI, agave green /VE, brass satin /OT and titanium /TI.**

Lamp: 9 W Led integral 2700K Dimmable electronic driver is located on the plug.

620/MED/DIM/US/VE pipistrello-med

family:	pipistrello	Body Color:	other available colors
Designers:	Gae Aulenti	Diffuser Color:	white
Utilization:	indoor	Body Materials:	stainless steel
Typology:	table lamps	Diffuser Materials:	opal white methacrylate
Certifications:			

Dimensions

Width:	-
Height:	24.41 " / 62 cm
Length:	-
Depth:	-
Diameter:	15.75 " / 40 cm

Net weight: 11.03 lbs / 5 Kg

Light Source

Watt:	9W
Lumen:	850 lm
Light Source:	led
CRI:	>80
duration:	50000 h
CCT:	2700K
Energy degree:	A++

Device Specifications

Type of emission:	diffused	Power cable length:	92.52 " / 235 cm	Driver:	included
Power:	10W	Steel cable length:	-	Power supply assembly:	external
Light output:	787lm			Power supply:	electronic dimmable power supply
Beam angle:	-			Type of dimming:	dimmer on cable
				Voltage:	120V
