

INGO MAURER

Luzy  
INGO MAURER 2018

A blue or black glove with one frosted bulb at the tip of the pointing finger. Surprising and unconventional. Controversial, free of restrained thinking and the boredom of the ubiquitous repetitive designs. Material: Plastic, metal, low-voltage lamps.

**Light source**  
1,5 W LED, 100 lm, 2600 K, 15000 h, CRI >95, EEC A+, E27.

**Technical data**  
LED version for 220 - 240 V or 110 – 130 volts.

**More info**  
Blue and Black Luzy are available since end of August 2018.

**Colours**  
Each blue glove is hand painted with a special colour. Luzy is made with left and right gloves. Not suitable for rooms with a high level of humidity.
