

This is the smaller version of the Cesta. Both created over half a century ago, Cestita can house an opal-shaped globe and a white plastic one (that is more child resistant). Accordingly, it is offered at a sensibly more affordable price and maintains its firm structural simplicity, ideal for nomadic or child-centred settings.

General description:

Sumatran pine wood structure.
White opal glass or white opal polyethylene lampshade.
Electric cable length: 1,40 m / 55.1"

Light source:

Recommended light source:
LED bulb: 6 W
