

Package Contents

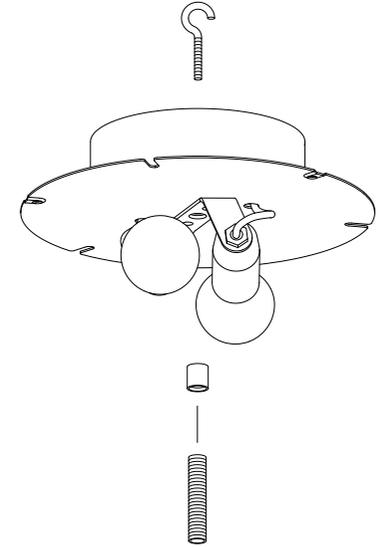

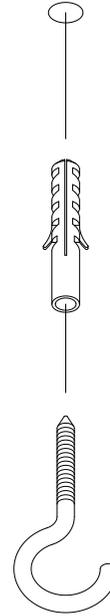

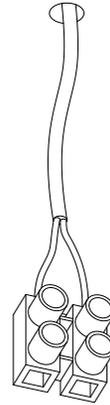

Box Contents:
Ceiling rose, veneer lamp shade

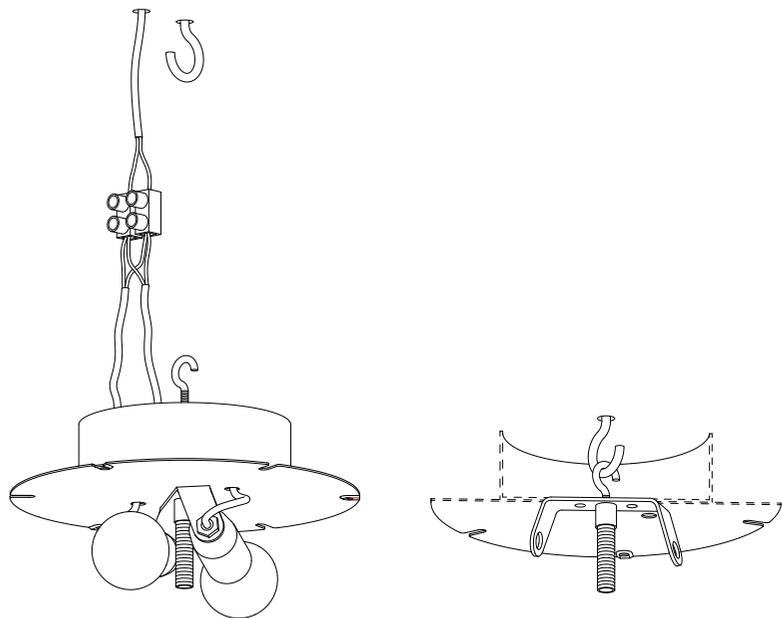

Bag:
Threaded cap, threaded rod, hook

Installation

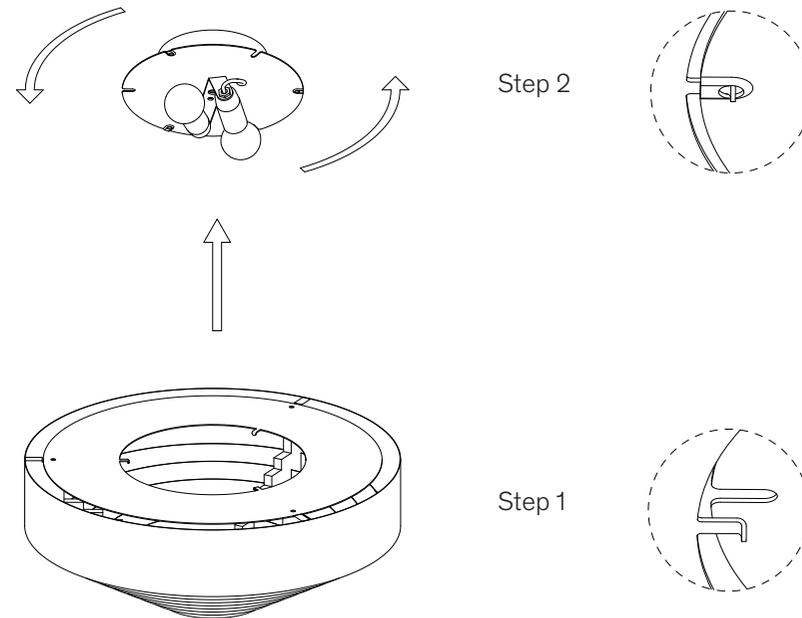

- 1 Always shut off power when doing electrical installation work. Select and use an anchor and hook suited to your installation surface.

- 2 Connect the threaded sleeve and cap together. Insert the hook through the ceiling rose and lightly tighten to the threaded cap.

- 3** In some countries electrical installation work may only be carried out by a professional. Contact your local authority for advice. After connecting the cables, attach the roof cup tightly to the ceiling using the threaded rod.

- 4** Install the lamp shade in the ceiling cup. Make sure that the metal hooks of the shade lock into the ceiling rose.
