designer

Nigel Coates

description

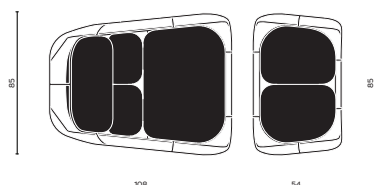

In the context of Nigel Coates' growing interest in furniture, the Plasma armchair reflects the English designer's taste for designing essential forms by digital means. Composed of a set of cushions in different tones placed on a slender metal structure with harmonious curves, Plasma combines the simplicity of a continuous graphic sign with the complex technology of the structure, made with computerized methods of bending and welding. With a footrest, it is also available for outdoor use.

typology

Armchair and footrest

dimension

Armchair	85[l] x 108[w] x 84[h] cm
Footrest	85[l] x 54[w] x 44[h] cm
