

Captain Flint Outdoor

Floor Lamp Designed by Michael Anastassiades

Description

Elevate your outdoor space with Captain Flint, an elegant dual-purpose floor lamp serves as an uplight and reading light with its conical shade and refreshed with waterproof materials and finishes in new colors, built to withstand environmental conditions. The sophisticated, iconic indoor floor lamp designed by Michael Anastassiades is now to be taken outside.

The "invisible" system that keeps in balance the conical diffuser to the thin tubular structure, also allows the diffuser to rotate in 8 different positions. The lighting beam can be pointed down for a direct light or against a wall for a smooth ambience halo.
